November

<sup>\*</sup> Does not account for seller concessions. | Activity for one month can sometimes look extreme due to small sample size.

<sup>\*\*</sup> Each dot represents the change in median sales price from the prior year using a 6-month weighted average. This means that each of the 6 months used in a dot are proportioned according to their share of sales during that period. | Current as of December 10, 2015. All data from Triangle Multiple Listing Service, Inc.. | Powered by 10K Research and Marketing.
